Potential or Expected Press Inquiries:

- **Disposal of Ashes in Peñuelas Landfill:** Approximately 100 citizens and environmental activists blocked the entrance to the Peñuelas landfill to stop the entrance of over 12 trucks carrying ashes from AES. Twenty-one (21) activists were arrested. Although the Ponce District Court had prohibited the disposal of the ashes at the Penuelas Landfill in accordance with a Municipal Ordinance, on November 9 the Court of Appeals reversed the decision.
